

## Study Routes at CPCE

Founded in 2002 by The Hong Kong Polytechnic University (PolyU), CPCE oversees the day-to-day operations of three self-financed education units, namely Hong Kong Community College (HKCC), Hong Kong CyberU (HKCyberU) and School of Professional Education and Executive Development (SPEED). CPCE aims to facilitate synergy among the operating units, and to optimise resource utilisation.

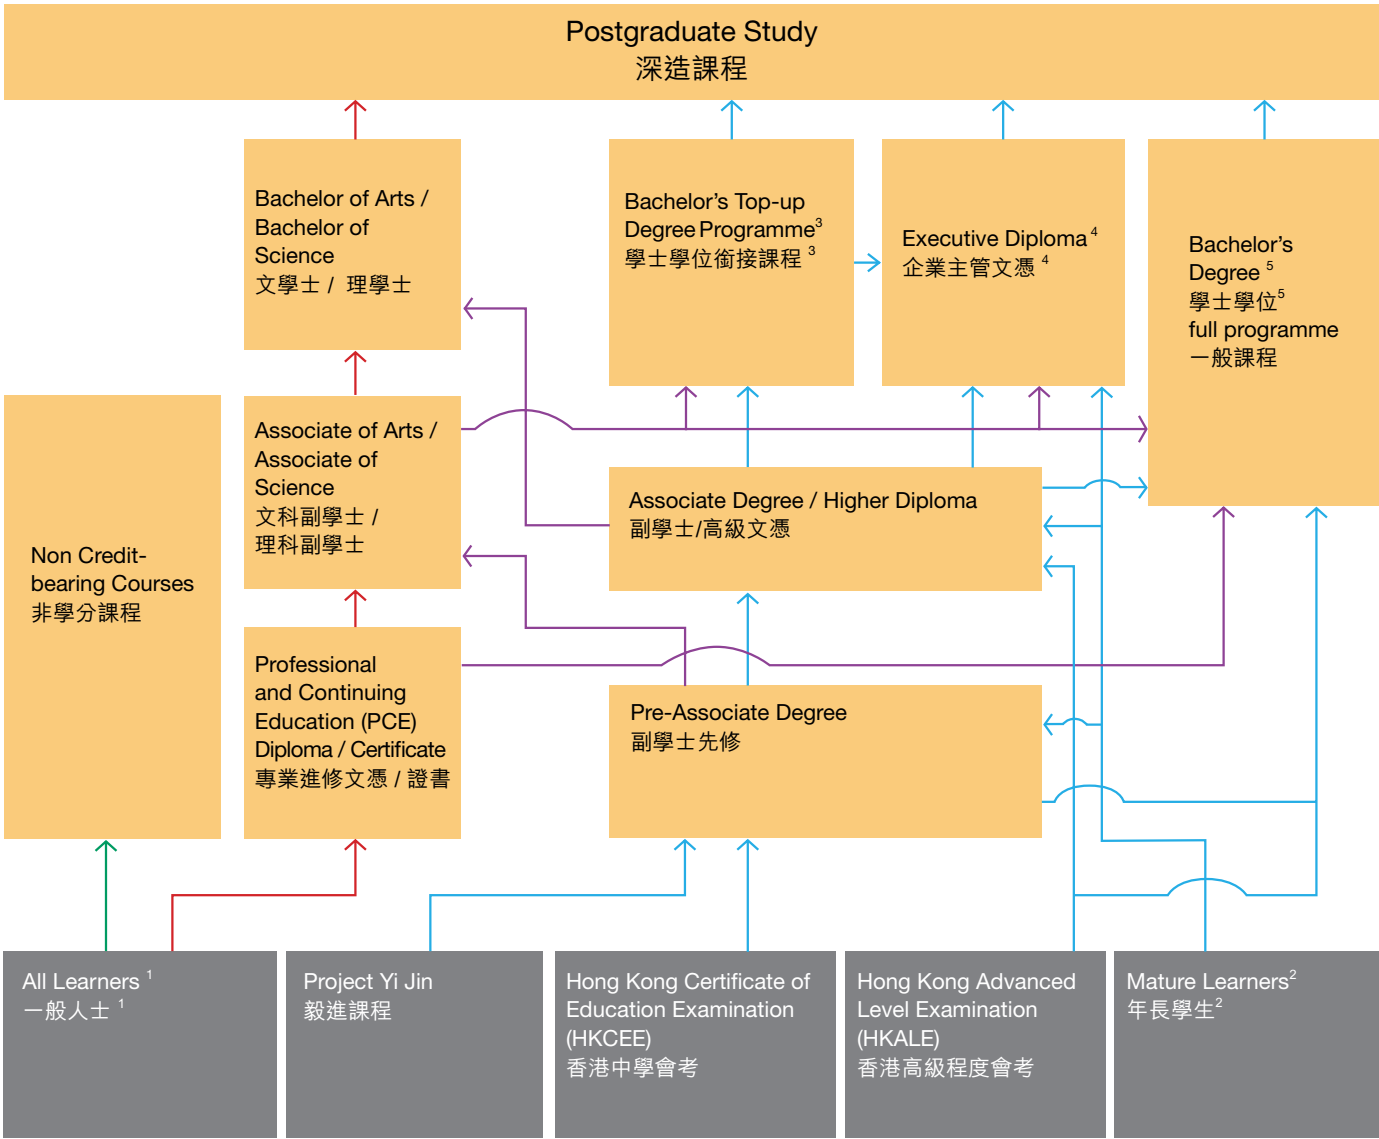

While operating with full autonomy, CPCE maintains a strong affiliation with PolyU Senate in respect of academic quality assurance matters. Implementation approval from PolyU Senate is required for programmes leading to PolyU HKCC and PolyU SPEED awards to ensure that PolyU's quality assurance standards are strictly followed.
