

SPEED's "10th Anniversary Honorary Speakers Series"

As part of its anniversary celebration, SPEED organised the "10th Anniversary Honorary Speakers Series". Delivered by Mr. Anthony Ting Yuk Wu, GBS, JP, Chairman of Bauhinia Foundation Research Centre, the first seminar was successfully held on 25 November 2009. Under the theme of "Continuing Education • Raising Qualification • Optimising Profession • Invigorating Economy", Mr. Wu, together with Professor

Peter Yuen, Dean of CPCE and Dr. Jack Lo, Director of SPEED, shared their insights on the education and healthcare sectors of Hong Kong. The event attracted an enthusiastic audience of staff and students for an interactive discussion and exchange of ideas with the speakers.
