

HKCC and SPEED Joint Graduation Ceremony 2014

The 12th Joint Graduation Ceremony of HKCC and SPEED was held on 20 and 21 October 2014 at the PolyU Jockey Club Auditorium. HKCC sent forth 3,669 graduates who completed their Associate Degree or Higher Diploma programmes. As for SPEED, it sent forth 1,282 bachelor's degree graduates, including 319 conferred with an honours degree award.

"The ceremony has particular significance to CPCE. It marks not only a record number of graduates from both educational units, but also the first cohort of SPEED graduates conferred with a bachelor's degree at honours level.

Besides, HKCC graduates hit a high articulation rate of 81% this year. This is solid proof that CPCE offers flexible and quality progression opportunities for secondary school leavers and sub-degree graduates," said Prof. Peter Yuen, Dean of CPCE.

Graduation is a momentous occasion for graduates to take pride in their academic achievements, and to thank parents and lecturers for the support given throughout their studies. Let's extend our warmest congratulations to the graduates!
